Dear TCA Athletes and Parents,

The South Carolina Independent School Association requires that all athletes complete a medical history and have a physical performed by a medical doctor. This is done prior to an athlete beginning practice in any sport. This exam, required by SCISA, is more of a screening than a complete physical. If you would feel more comfortable with a complete physical exam, it is recommended that you schedule an appointment with your family physician.

Prior to participating in games or pre-season practice at CA each athlete must have a physical and complete and deliver all of the items listed below:

- 1. Student Enrollment Contract & Enrollment Fee _____*
- 2. Agreement for Participation (yearly) _____*
- 3. Medical / Emergency Information Sheet (yearly) _____*
- 4. Student Activity Fee (yearly) _____*
- 5. Parent / Student Handbook (only one time) _____*

I have read and understand the above requirements.
