Dear TCA Families,

We are excited to announce an upcoming trip to New York City for our 5<sup>th</sup>-9<sup>th</sup> grade students! This will be an incredible opportunity to explore the rich history, culture, and landmarks that make New York one of the most fascinating cities in the world.

During this trip, students will have the chance to experience historical sites, learn about important events that shaped our nation, and create lasting memories with their peers. We are looking forward to providing an educational and engaging experience that brings history to life beyond the classroom.

To help ensure the safety and supervision of all participants, **this year we are requiring that every student attending must have a designated chaperone to sign up who is at least 21 years old.** The chaperone will be responsible for accompanying and supervising the student throughout the trip.

We are thrilled about this opportunity and hope many of our students will join us for this unforgettable New York adventure!

Sincerely,

Susan Evans
